

Dear Parent or Guardian of a (Soon-To-Be) Fifth Grade Cromer Student:

The district has adopted a new math curriculum, **Eureka/EngageNY**, for the 2015-2016 school year. This letter is to inform you that the level of math next year may be more challenging than the previous curriculum. **To ensure the success of your child in 5th grade, as a team, we are strongly urging you to have your student visit the following sites or apps (around 30 minutes per day) over the summer.**

- IXL Math (all 5th grade standards)
- Math Playground (5th Grade Common Core Math)
- Math Chimp (5th Grade Math Games)
- Any other site or practice that focuses on common core math at the 5th grade level

Thank you for your partnership in your child's education.

-The Fifth Grade Team
