Cromer School Parent News

Dr. Pat Horn, Principal

Congratulations to our 2008 Science Fair winners and to all students who participated in our impressive event! Super job, Cromer Wildcats!!

Hard Problem to Solve . . .

We do our best to keep the traffic flowing as safely as possible in our parking lot. It is frustrating for people who plan to park and come into our building, but they can't get to the parking lot because the entrance is blocked by cars waiting for dismissal in the left hand lane. Not sure how to solve this one, but when picking up your child after school, please try to not block the entrance to our parking lot. Thank you!

Parent Conferences Next Week

School will be **dismissed at 12:00 NOON** on Wednesday, March 12; Thursday, March 13; and Friday, March 14. Sack lunches will be served for those who need lunch these three days. We hope to see all of our parents at our Spring Conferences. Primary report cards will be given out at the conferences. Check out the City of Flagstaff information coming home today – bring in an old light bulb and swap it for a new energy efficient compact fluorescent light bulb! This offer is only for 12:30-2:30 p.m. on March 12th, 13th, and 14th.
