

**Flagstaff Unified School District  
Use of Personal Computing Equipment Waiver**

1. I understand that **no** technical support for operating system, hardware, applications etc. will be provided by technical services (including cables etc.),either onsite or by telephone.
2. My immediate/building supervisor must sign this waiver allowing the use of my personally owned computer at my site.
3. I must have current antivirus software installed on my computer and must continue to have up to date virus definitions installed and configured (subject to technical services approval).
4. I assume all liability when installing or uninstalling any software and do so at my own risk.
5. I will not hold FUSD liable for theft, damage or loss of personal equipment.
6. It will be assumed that I am able to properly configure my personally owned equipment for use at my site.
7. I understand that my actions while using my personal equipment in the district network are governed by the AUP EIS agreement(s).
8. I am responsible for the correct licensing of any software I wish to use on my personal equipment.
9. I understand that no personal network routers, access points, switches, hubs, network printers, or any other device beside what is listed on this form, may be plugged in to the FUSD network at any time.
