

Flagstaff Unified School District Family Survey Spring 2018

FUSD has begun an in depth evaluation process to support improvement planning and accreditation of each of our schools through AdvancED. This survey is one major component of that process. Your opinions are important to us. We will evaluate all surveys both for districtwide and school-based areas to help improve services for you and your student. Your responses are anonymous. The survey should take about 10 to 15 minutes to complete. We sincerely appreciate your time.
