

# MITIGATION STRATEGIES

## 2021-2022 School Year

### Social Distancing

Observe a distance of at least three (3) feet apart from one another. Greater distance is encouraged where feasible.

### Face Masks

Face masks are required for all individuals inside our buildings and while on the bus, regardless of vaccine status.

### Classroom Materials

Students are recommended to have individual materials. Shared materials may be used with hand hygiene and cleaning/disinfecting.

### School Closures

The FUSD COVID Support Team will work with the local health department to determine school closures due to COVID-19 outbreaks.

### Large Group Gatherings

Large indoor gatherings and schoolwide assemblies are not recommended. Outdoor activities are highly encouraged instead.

### Hand Hygiene

Students and staff are asked to wash their hands with soap and water throughout the day. Hand sanitizer will also be available as needed.

### Cleaning & Disinfecting

Daily cleaning and disinfecting occurs for all high touch surfaces and deep cleaning occurs as needed in the event of a COVID exposure.

### Distance Learning

Flagstaff Online Academy (K-4) and Northern Arizona Distance Learning (5-12) are available for families who prefer distance learning.

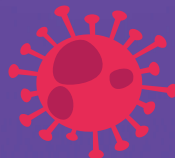

### Visitors

Visitors will be limited to only essential individuals. Approved visitors will undergo a temperature screening and building sign-in.

### Athletics

Arizona Interscholastic Association guidelines will be followed. FUSD may limit event spectators as needed.

### Contact Tracing & Quarantine

Contact tracing will occur in the event of a positive COVID test. Indirect and direct contacts will be notified with procedures and quarantine guidelines.

### Sick? Stay Home

Sick students and staff should stay home from school and seek guidance from the school nurse or covidhelp@fusd1.org.

**Thank you for protecting the health of our staff and students.**
