

Kindergarten Teacher

Hello! My name is Mrs. Ricciardi. I recently moved to Flagstaff with my husband and our two cats. My husband works for the NAU Men's Basketball team, which is what brought us to Flagstaff. We are loving the mountains as they are like nothing we've experienced in our home state-Wisconsin.

Throughout college I had many experiences working with children. I worked with the Campus Childcare Center, where I spent my time facilitating learning through exploration for two, three, and four year olds. In the spring of 2015 I began my student teaching for Milwaukee Public Schools in a kindergarten and third grade classroom. After student teaching, I earned my Bachelor's Degree at the University of Wisconsin La Crosse with a major and minor in Early Childhood Education. After graduation, I taught second grade for one year and kindergarten for three years in Milwaukee. My husband's job moved us to Alabama where I taught kindergarten for one year. In my free time, I love to run and hike. I am very excited to be teaching at DeMiguel Elementary. Go Lobos!
