Office 2016 Mac and Windows Home Use Program is available for FUSD teachers and staff. If you are interested in purchasing a copy of Office 2016 for a **home** computer/laptop, please follow the directions below.

- **Office 2016 for the Mac** requires OSX 10.10 / Yosemite or higher. Recommend uninstalling your old version of Office, if installed. Check for OS and Office updates after you install Office 2016. Office 2016 for Mac includes:

- **Office 2016 for Windows** requires Windows 7 or higher. Recommend downloading and installing the 32-bit version (not the 64-bit version that is an option) and uninstalling your old version of Office. Check for OS and Office updates after you install Office 2016. Office 2016 for Windows includes:

To purchase, follow these simple steps:

Step 1: Got to www.microsofthup.com

Step 2: Enter your work email address and HUP Program code.

Step 3: Buy the software and download Microsoft Office Professional Plus 2016.

Here is a link to the Microsoft FAQ about the program that should answer most of your questions.
