Authorization and Release Form for Student Information and Work

Flagstaff Unified School District strives to celebrate our student and school successes through the utilization of a variety of media resources, including our school district web pages. In order to comply with current safety and privacy practice we require parental permission to release student information. As a school system we are aware of the need to exercise stringent security when using school district publication methods to post student and school successes, but also believe they can enhance communication to parents, students, and the general public.

Your signature below gives permission to the Flagstaff Unified School District to publish your child's first name (will never be published directly with any image or video of your child), photographs, video, voice, and/or work (written, drawn, or otherwise) created by your child.

 I / WE DO **I / WE DO NOT** authorize Flagstaff Unified School District to display the items indicated above on district publications, such as web sites, newsletters, and newspaper articles involving the school district. We further release Flagstaff Unified School District, the Board of Education, and all employees, agents, and representatives of the school district from any liability concerning the posting of the student work on FUSD publications.
