Face Coverings

All persons, including, but not limited to, staff, students, vendors, visitors, and volunteers, shall wear an approved face covering while on any District property, in any District facility, at any District event, whether indoors or outdoors, and in any District vehicle, including District busses or vehicles rented or leased by the District.

Face coverings are to fully cover a person's nose and mouth, ideally fitting snugly but comfortably against the sides of the face and under the chin. They are to remain affixed in place without the use of one's hands and are to not have holes. They are to be laundered regularly or disposed of appropriately.

Masks/face coverings should not be worn by:

- o Children younger than 2 years old.
- o Anyone who is unconscious, incapacitated or otherwise unable to remove the face covering without assistance will not be required to wear a face covering at school.

Students and staff must be wearing a mask at all times except while eating and drinking. All students and staff unable to wear a mask will need documentation from their primary care provider indicating they cannot wear a face covering while at school. Alternate methods of protection will be discussed with parents/guardians and staff.

Students shall be allowed breaks to remove their face covering in a safe environment where they can maintain 6+ feet social distancing.

Gaiters, bandanas, buffs, and scarves will not be allowed as an alternative for students or staff to use as a face covering. In addition, no inappropriate language, images or content will be allowed on face coverings.

Individuals may choose to wear a face shield in addition to a face covering.

A face covering does not replace the need for frequent handwashing, covering coughs and sneezes, and practicing physical distancing (six feet [6'] away) to the extent possible. Individuals are to be reminded to avoid touching their face covering and to wash their hands frequently. To ensure the proper use of face coverings, staff and students are to be educated on how to wear and care for their face coverings.

The Superintendent may make other exceptions to the requirement to wear a face covering while keeping in mind the health and safety of everyone involved.
