

Christine Fredericks

I am a single parent but I've been in a committed relationship for the past 9 years. I have 4 children: daughter, 26 attending CCLI, intends to become a nurse; son, 22, DO at the Coconino Sheriff's Dept; daughter/son in law, both 21, new parents (making me a first time grandparent) - she works for Walmart, he attends helicopter training school; daughter, 18, currently working/living in Fl. I graduated from ASU in 1999 with a degree in Secondary English Education. I taught for 14 years on or near the Reservation. I have earned 3 Fellowships allowing me to attend the Bread Loaf School of English at the Middlebury, VT and Juneau, AK campuses. I have been working in the insurance industry for the past 8 years. 2 of my children attended FUSD. I ran for the school board for several reasons: I wasn't able to go back into the classroom for financial reasons and being on the Board allows me to have an impact on the district as a whole, I wanted to be sure all voices were heard and I will continue to work to that end; our district has had a poor reputation in the past and I wanted to be part of the solution.
