Coconino High School

Welcome Class of 2027

We look forward to seeing you at

Freshman First Day

on

Friday, August 4th, 2023,
from 8:00 am - 11:45 am.

- All Freshmen will attend Freshman First Day. FUSD buses will pick-up and drop-off on regular routes.
- All freshmen will meet in the North Commons at 7:50 am.
- Students will be expected to show Panther Pride by adhering to the CHS school-wide expectations of Respect, Responsibility, and Integrity. This includes following the dress code and electronic device policies.
- Please **BE PRESENT**: put phones on silent mode and keep out of sight.
- Dress comfortably, eat a hearty breakfast, and come energized, ready to make memories that will last a lifetime!!

Panther Strong!

What is Link Leadership?

Coconino High School Link Leadership Transition Program is based on the belief of creating a safe and positive learning environment for all students by fostering healthy social behavior, academic success, responsibility towards self and others as well as individual accountability.

How does Link Leadership work?

Link Leader Mentors: Junior and Senior students serve as mentors to ALL Freshman students for the entire school year as freshman students transition into high school.

Link Crew Teams: Link Leaders are assigned to a crew of 12-18 freshmen whom they will give their guidance and assistance throughout the school year.

Freshmen 1st Day: includes the whole incoming class of freshmen where after an opening assembly, freshmen students are divided into crews/teams which meet in separate classrooms for small group orientation activities led by their Link Leaders. The focus of these activities include getting to know other students and learning strategies for being successful throughout their high school career.

What type of assistance do Link Leaders provide throughout the year?

- ◆ New student tours/shadow opportunities/ presentations to freshman classes
- ◆ Social Follow-ups: events on campus attended by freshmen and Link Leaders to help students and leaders stay connected.
- ◆ Academic Follow-ups: special lessons taught in all freshman classes by the Link Leaders. Lesson topics include making choices, using resources on campus, dealing with peer pressure, study skills, time management, school traditions..
- ◆ Initiated Contacts: individual or small group contacts made to freshman crews by their Link Leaders. Contacts may be made to help support academic and social situations.
