Family Newsletter, April 2022

Principal's Message

Dear Families,

First of all, thank you so much for the warm welcome I have received from so many of you! I feel deeply honored to get to serve this great community and don't take it for granted. The amazing students here keep me motivated to do my best. They are the reason we come to work every day and do what we do. And thank you for all you do at home to prepare them to be their best selves here at school. It takes a team!

The next two months will fly by fast with all of the classroom and school wide end-of-the-year projects, celebrations, and events. (see the information in this newsletter for details). It's important to show up, be our best, and finish strong!

Warmly,

Libby Miller
Proud Principal

This night honors those students who have achieved the requirements for graduation outlined by the Flagstaff Unified School board and the Arizona board of Education, by presenting them with a graduation stole to wear during the ceremony.

The evening is scheduled for May 11th at 6:00PM in the FHS Hurley theater where each of these students will receive a serape stole to wear at graduation and allow them to not only honor their accomplishment's but that of their heritage as well. This is a proud moment for our community and a commitment of FHS to ensure these students are recognized.

We will be sending out invitations later this month and hope that you and your family can attend. If you have any questions or need additional clarification of the event please do not hesitate to contact the event coordinator Ms. Suzie Mendez at 928-773-8100.
