Principal's Message

Dear Families,

We have a lot of great things happening at FHS! Winter sports closes with our girls basketball team placing second place at their state championship game last Monday evening while spring sports are off and running. (no pun intended:) We are finally back to live music and theater performances! Click [here](#) for all of the amazing events our students are engaged in. And the Legally Blonde production play rehearsals are happening for the April 29/30 and May 6/7 production! And finally, while registering all of our 8-11th grade students for next year, we are also busy planning for our in-person graduation at the NAU Dome on May 27!

It's been so exciting to see the levels of student engagement happening both inside and outside of the classrooms. It gives us all a sign of hope that we are moving forward and reconnecting with what brings us joy and gratitude. For me, it is seeing students being themselves, working hard, and having some fun.

Thank you to the entire Flagstaff High community for all of your patience and support. Go Eagles!

Warmly,

Libby Miller
