Principal's Message

Dear Families,

I hope that everyone is enjoying the winter wonderland out there and staying safe and warm! We are not only transitioning to our spring activities and sports programs, we are already engaged in graduation planning as well as 8th grade registration for next year! With time moving so quickly, let's make sure we are appreciating and enjoying each moment along the way.

Senior families will be receiving graduation details soon and all other information can be found on our website. And, if you haven't already, check out all of our social media posts on instagram and facebook to get a glimpse of the great things happening at Flag High!

LET'S GO EAGLES! ✚

Important Message from our Media Specialist

Due to upcoming testing, IT will be locking any updates going through for 90 days so we just want to make sure iPads are running as smoothly as possible before then! To do this, students need to go into their settings > general > software updates and click install. We're also always happy to help if they come to the library! Please let me know if you need any more clarification and thanks so much!

Message from the Bookstore

Greetings from the Bookstore! This month another round of bills will be sent out. Please review the bill carefully. Instructions for paying the bill online can be found on the FHS website under the Resources tab. The options to pay in person, by phone and by mail are also welcome. It is especially important for Senior students to pay this bill or you risk losing the opportunity to participate in the graduation ceremony. If you have concerns about your bill please reach out to the Bookstore or Principal Libby Miller.

Yearbook, Cap & Gown orders will go through the Jostens website www.jostens.com

There are still Hoodies, 100 Year shirts (in limited sizes) and other merch available. The bookstore will plan to be open during 8th grade info night, Tuesday February 13th.

Baseball. Barbeques. Birthday celebrations.

You've got so much to offer! Wouldn't you love to share your little corner of America with a PAX high school exchange student from the prestigious Future Leaders Exchange (FLEX) Program? Established by Congress in 1992 under the FREEDOM Support Act following the collapse of the Soviet Union, the program provides merit-based scholarships for students from post-Soviet countries. Through person-to-person exchange, FLEX students learn about American society and values, acquire leadership skills, develop their sense of civic responsibility, and help educate Americans about their own countries and cultures. Invite an international student into your home—and watch how you all grow! These scholarship students are sponsored by the State Dept. The students will receive a stipend for living expenses and full medical insurance. They can live with a single parent family. If the family has children, they are able to share a room w a closely aged sibling. The students arrive in August only if they have a family. This is a great way to bring cultural diversity into your world and create global citizenship. Please consider stepping out of your comfort zone and Making a Difference in the World.

**Invitation to participate in a Focus Group Discussion for the County's
Comprehensive Plan Update – Envision 2045**

Greetings County Teachers and Students,

I am writing to invite your participation in a Focus Group Discussion regarding the update to the County's Comprehensive Plan – Envision 2045. The County has embarked on the required 10-year update of the current 2015 Comprehensive Plan, and as part of the update the County is reaching out to residents, community leaders, and community organizations across the county to assess existing conditions, discuss issues, and begin discussions for the vision for the future of the community and how this might be reflected in the Comprehensive Plan. We are particularly interested in what the county's young people think about the future of their home; this is also an opportunity to introduce urban planning to your class.

During the focus group discussions, we will give a brief presentation and then ask students for their ideas about visioning, how the county should grow in the next twenty years, what the current needs and issues are, and ideas for how to address those. Focus groups can last about two hours but we will structure the focus group to be within time that is available. The responses gathered during the focus group will add local perspective and information to the planning process and will provide background information for the Comprehensive Plan.

We can schedule a focus group at your convenience. If you are interested, please contact Melissa Shaw by phone at 928.679.8868, or by email mshaw@coconino.az.gov. For more information about Envision 2045, visit the project website: <https://coconinocounty.konveio.com/envision2045>.

We are looking forward to meeting with you, and thank you in advance for your participation.

Sincerely,

A handwritten signature in black ink, appearing to read "Jay Christelman".
