July 24, 2019

Dear Cromer Families,

This year we will be asking all parents to create a parent view account. If you have a ParentVUE account you may now update contact information, changes in address, phone numbers, emergency contact or parent information by logging into your account

You will also be able to electronically fill out required forms such as the residency form and upload documents such as proof of address.

If you currently have a student enrolled and have not established a ParentVUE account you may stop by the office for your personalized login information.

https://fUSD1.apSCC.org/PXP2_Login.aspx

If you are new to the district and would like to register your student for the 2019-2020 school please follow the link below for instruction to online registration.
