July 2019

To Cromer Families and Community,

Welcome to Cromer Elementary School. As the principal of Cromer Elementary School it is my pleasure to welcome everyone back to another great school year. I truly hope that you have enjoyed your summer and that you are excited to return to school! Students return on Thursday, August 8. This will be a full day for first through fifth grade students, however Kindergarten will be released at 1225. Lunch will be served for all students.

We have been busy this summer preparing for the upcoming school year. Ms. Jackie and her crew have polished the floors, cleaned the carpets and scrubbed the lunchroom tables. The school sparkles and shines! The teachers have been planning lessons, attending workshops, preparing their classrooms and sharing stories about their summer vacations. We can't wait to hear about yours!

Please join me in welcoming our new teachers to Cromer.

Mrs. Turner Preschool

We are very excited to welcome them to our Cromer family.

We hope you will find our website helpful and informative. All the information we send out on our weekly connect ed calls can be found under the announcements on the home page. We have also entered all the activities into the calendar feature of our website for the year. or calendar of events. We communicate with our families a variety of ways: emails, Cromer

PTO Facebook, Cromer website for announcement and calendar of events, Connect Ed phone calls, Remind 101 and teachers' letters home.

The Cromer PTO is very active and plans many family nights, our PTO meetings are held the first Thursday of most months. Cromer PTO has a Facebook page which also keeps parents informed about school and upcoming events. We encourage all families to become involved in the PTO and in their child's classroom. Parents can volunteer for field trips or help teachers in the classrooms, this is an amazing opportunity and great support for everyone. Dads are also encouraged to volunteer through our Dads on Campus program.

I am honored to serve as the principal of Cromer Elementary School. It is truly a privilege to be part of a community where parents, staff and students care for each other and strive to build positive relationships that support academic and social growth. Please feel free to contact me at 928-773-4150, or at [telam-gordon@fUSD1.org](mailto:telam-gordon@fUSD1.org).

Once again, Welcome Back! Let's make it another great year at Cromer together.

Sincerely  
Traci Elam-Gordon
