

Marshall Magnet School 2012 Science Fair Entry Proposal Due: January 13, 2012

The intent of this Science Fair Entry Proposal is to:

- help students start to focus in on a project idea or topic
- better help us plan for ribbons, judges, and set up

This proposal does not lock in a student to a specific project. If your project takes a different turn or you decide to do a different topic all together it is OK!

Student(s): _____
