301 PD is calculated from the hours accrued in TNL (TrueNorth Logic) paid out 3 times during the school year. Please keep track of your hours earned. Once the maximum of 14 hours has been reached, you need to mark the remaining hours earned at Salary Advancement in TNL. Pay dates are 11/13/18, 3/5/19 and 6/25/19.

TPPP is paid from the hours you entered in on the **TPPP Activities Log Sheet** and **submitted end of year to your principal**. (Minimum of 30 - 40 hours) Due date is 6/1/19 and pay date is 6/11/19.

Evaluation(s) is paid based upon the **current year 2018-19 TPEC** (Teacher Performance Evaluation(s)) and pay date is 7/9/19. If you have two evaluations they will be averaged.
