

Arizona Department of Education Arizona Residency Documentation Form

Under Arizona State Law (A.R.S. § 15-823J), as part of the annual registration process, school districts are required to obtain and keep on file documentation of the residency of the parent or guardian with whom each student lives. This documentation must be provided each time a student enrolls in a school district in Arizona, and reaffirmed during the annual registration process.

This Arizona Residency Documentation Form must be completed for all students by the parent or legal guardian. A photocopy of **one** of the documents listed below—which clearly shows the parent or legal guardian's full name and residential address (no P.O. boxes)—must be provided to the school or district with this completed and signed form. Personal information other than name and address (such as Social Security Number, account numbers, etc.) should be blacked out on the document before providing it to the school or district.

Those who cannot document their own residence because of extenuating circumstances must complete both this form (checking the last box) and the "Affidavit of Shared Residence" also available from the school.
