

Evergreens Permission Form

The Killip Evergreens work on reducing waste at school and in the Sunnyside community by engaging in service learning opportunities such as composting and recycling, participating in environmental education activities, and helping teach others how to do their part to fight climate change.

Evergreen meetings are Wednesdays from 3:30-4:30pm beginning the week of Sept 2nd (first meeting is on Sept 4th and recruitment is ongoing until full), and Monday-Thursday during lunch.

If you would like your child to participate, please complete the form and have your child return it to Stefan in the STEM lab. Please email Stefan at snelson@fUSD1.org or call 928.773.4080 ext 2426 with any questions. Thank you for your interest!

____ I give my child permission to participate in the Evergreen team on Wednesday afternoons from 3:30-4:30pm.

We like to celebrate our success community-wide and frequently publish pictures in the newspaper, on Facebook, and the STEM City blog. Please check below to give us permission to share pictures, videos, and statements of your child:

____ Killip Evergreen team can use my child's picture, video or interview statements in media publications.

Student Name: _____

Date of Birth: _____ **Grade:** _____ **Teacher:** _____
