## Superintendent Penca and School Board Members Listen to Summit Students

The third Student Advisory Committee Meeting takes place Friday, December 3 this month during lunch. Superintendent Mike Penca is teaming up with school board members to come to Summit High School and listen to the thoughts and concerns of students and give them a voice in the decisions that impact them. The Student Advisory Committee was created with the purpose of giving students representation to the district and empower them to make positive changes to their school. This has resulted in positive changes for our school such as the water bottle filler implemented into our drinking fountain thanks to our students' input and our superintendent

and school board's desire to listen to students.

We are very grateful for the commitment of Superintendent Penca and the School board to understand the things that are important to the students they serve. We strongly encourage all students to come December 3 and have their voice heard.

## Summit to Have Food Box Distribution Station

Starting Thursday, December 2, Summit Thursday from 12:00PM to 2:00PM will be a station for the distribution of going forward. We thank Flagstaff Family food boxes available to families every Food Box for providing this opportunity.

### Finals Week Begins!

As Quarter 2 comes to a close, students at Summit High School prepare for Finals Week which takes place from Monday, December 13 to Friday, December 17. Final grades are posted on December 17 so we encourage all families and students to reach out to teachers if there are any classes a student has a question about their grade. We will have an altered early release schedule from December 15 to December 17. Make this Finals Week a successful week.
